Capacity: 1000 MI

Compatible with: Ricoh G5, Seiko, Konica, Starlight, Toshiba

Color: BK/CY/MG/YL/WH

Features: Vivid Colors, Good Adhesion, Scratch Resistant

Property: Hard

Looking for a reliable and versatile ink for your UV printer? Look no further than our UV Printer Ink!

What is UV Printer Ink?

UV Printer Ink is a high-quality ink specifically designed for use in UV printers. It is an eco-solvent ink that is specially formulated to

produce vibrant and long-lasting prints on a variety of materials.
Compatible with Multiple Printers

Our UV Printer Ink is compatible with a wide range of printers, including Ricoh G5, Seiko, Konica, Starlight, and Toshiba. This makes it a versatile choice for businesses and individuals who use different printers for their printing needs.

Vibrant Colors for Eye-Catching Prints

One of the key features of our UV Printer Ink is its ability to produce vivid colors. This ensures that your prints will stand out and grab the attention of your audience. Whether you are printing posters, banners, or other marketing materials, our ink will help your designs come to life.

Good Adhesion for Durable Prints

In addition to its vibrant colors, our UV Printer Ink also has good adhesion properties. This means that it will adhere well to a variety of materials, including paper, plastic, and even metal. This ensures that your prints will be durable and long-lasting, even in high-traffic areas.

Scratch Resistant for Professional Results

Our UV Printer Ink is also scratch resistant, which is essential for producing professional-looking prints. This feature ensures that your prints will maintain their high-quality appearance, even after being handled or exposed to harsh conditions.

Hard Property for Versatile Applications

Our UV Printer Ink has a hard property, which means that it can be used for a variety of applications. Whether you are printing on flexible or rigid materials, our ink will provide excellent results.

Choose our UV Printer Ink for all your printing needs. With its high capacity, compatibility with multiple printers, and exceptional features, it is the perfect choice for businesses and individuals looking for a versatile and reliable ink. Try it out today and see the difference it can make in your prints!

 - Price: \$21
 - Delivery Time: 7 days
 - Property: Hard
 - Compatible with: Ricoh G5, Seiko, Konica, Starlight, Toshiba

Flexibility: Good

Color: BK/CY/MG/YL/WH

Application: Plastic, Leather, Acrylic, Metal

Product Description

Tucaí UV Printer Ink is a universal and high-quality printing ink specially designed for UV printers. It is suitable for printing on various materials such as plastic, leather, acrylic, and metal.

With excellent compatibility, it can be used on a wide range of UV printers including Ricoh G5, Seiko, Konica, Starlight, and Toshiba, providing consistent and accurate printing results. The ink is also flexible, making it suitable for printing on different types and shapes of materials.

One of the outstanding features of Tucaí UV Printer Ink is its hard property, which ensures the ink dries quickly and stays on the surface without smudging. This is especially important when printing on materials that require high precision and durability.

Application Scenarios

Whether you are a manufacturer, designer, or printing service provider, Tucaí UV Printer Ink is a perfect choice for all your printing needs. It can be used in various industries and applications, such as:

Plastic packaging and products

Leather goods and accessories

Acrylic signs and displays

Metal tags and labels

No matter what your printing project is, Tucaí UV Printer Ink will deliver vibrant and long-lasting results, bringing your designs to life and impressing your customers.

Conclusion

With its universal compatibility, hard property, and good flexibility, Tucaí UV Printer Ink is an essential product for anyone using UV printers. Its affordable price and fast delivery time make it a cost-effective and efficient solution for all your printing needs. Choose Tucaí and experience the best printing results with ease!
