Product Description:

One of the key features of this ink is its low odor. This makes it ideal for use in office environments where strong odors can be a problem. The ink has been designed to produce minimal fumes and has been tested to ensure that it meets strict safety standards. The Ricoh Ink is supplied in 1L bottles, making it easy to store and use. The large volume of ink also means that you can print more pages before needing to replace the cartridge, saving you time and money in the long run. When stored correctly, this ink has a shelf life of up to one year. This means that you can stock up on ink without worrying about it going bad. The ink is designed to be used with Ricoh Ink Printers, ensuring that you get the best possible results from your printing. In summary, the Ricoh Ink is a high-quality UV Ink that is perfect for use in Ricoh Ink Printers. The ink is available in five colors and has a low odor, making it ideal for use in office environments. The large volume of ink and long shelf life make it a cost-effective choice for businesses and individuals alike.
